

RAVENOL Getriebeoel TSG SAE 75W-90

Kategorie: Gear oil for manual transmissions and drive axis

Artikelnummer: 1222101

Viscosity: 75W-90

Specifications: API GL-4

Oil type: Synthetic

Recommendations: Ford M2C-175, Opel/GM B0401043, VW 501 50, VW G 052 911 A2, VW G 060 726 A2

Application: Truck, Passenger car

RAVENOL Getriebeoel TSG SAE 75W-90 is a synthetic multi-purpose transmission oil for maximum duty manual transmissions.

RAVENOL Getriebeoel TSG SAE 75W-90 is designed based on high-quality synthetic base oils with special additive treatment and inhibition coordinated to the increased stress on manual transmission oils and ensuring trouble-free transmission function.

Application instructions

RAVENOL Getriebeoel TSG SAE 75W-90 is suitable for highly stressed manual transmissions (with and without synchronising), transfer cases and steering gearboxes in vehicles and work machines.

Characteristics

- excellent ageing resistance
 - extra high pressure absorption properties
 - optimal viscosity-temperature properties
 - excellent low temperature properties
 - shearing stability
- stable lubricating film even under high stress
 - extremely low pour point
 - good elastomer compatibility to prevent leaks
